

Fourth Homework Assignment for Math 448

Due: Thursday, March 13th.

All section references are to the text.

Problems to hand in for Math 448 and 748:

Chapter 7, exercises 7.4, 7.14.

Chapter 8, exercises 8.2, 8.8.

Chapter 9, exercises 9.2, 9.6, 9.16, 9.18.

Additional problems to hand in for Math 748:

Chapter 7, exercise 7.22.

Chapter 9, exercise 9.14.

Math 448 students are also welcome to try these problems.

Reading for this week and next:

If you haven't already, please read up to Section 7.6.

For Thursday, March 6th, Sections 8.1–8.2.

For Tuesday, March 11th, Sections 9.1–9.3.

For Thursday, March 13th, Section 9.4.

Reminders:

The final week of class (April 1st to 3rd) will feature presentations of papers by graduate students. This is now less than a month away.
