Greg Caisley and Friends

Join our Director of Music Programs, Dr. Greg Caisley, on a musical journey this year, with two stops in the musical worlds of French and of Spanish speaking countries. In these two events, Dr. Caisley will be joined by wonderful musicians from the lower mainland performing music of incredible beauty and excitement-much like the countries themselves.

Sunday, Sept. 24, 2006 at 3:00 pm

This concert features three wonderful singers - Debra DaVaughn, Christopher Simmons and Vicki Richardson, who will showcase fantastic music by classic composers of France - Poulenc, Chausson and Fauré. This music is so beautiful, funny, fast, furious and touching - all at the same time.

Saturday, Feb. 24, 2007 at 7:30 pm

This concert showcases the music of hot tempered Spanish speaking countries, featuring instrumental tango music and singing. Check out our new website: www.langleyunited.org for more details on this upcoming event as it approaches.

The Wyndham Brass Quintet

The Wyndham Brass Quintet is a group of five musicians, comprised of two trumpets, a French horn, a trombone and a tuba, from the Lower Mainland who share a love of brass chamber music. The brass quintet is a highly versatile combination of instruments capable of delivering everything from smooth serenades to brilliant fanfare - a listening experience that excites and delights.

Saturday, Nov. 4, 2006 at 7:30 pm

This brass quintet program will span almost 500 years of musical history and include a wide variety of styles such as Classical, Baroque, Romantic, 20th Century, Jazz, Gospel and Modern from the works of Bach, Purcell, Handel, Mozart, Ellington, Sondheim and others - a little something for all ages.

Garth Balint - trumpet, piccolo trumpet, flugel horn.

Terry Keller - trumpet, piccolo trumpet, flugel horn, cornet.

Anne Sluyter - French horn

Brian Thomson - trombone

Kerry Hicks - tuba

Refreshments will be served in the lower hall following each concert.

Lyric Singers

Lyric Singers, consisting of 24 women, was formed in 1994 under the direction of Marjorie Boerema. The members are experienced singers, mainly from Surrey, coming from many walks of life, but have in common their love of the choral art and the desire to strive for excellence in performance. In 2002 Marjorie resigned as director and was replaced by Nancy Rahn, under whose leadership the choir continues its pursuit of excellence.

Saturday, Mar. 10, 2007 at 7:30 pm

This programme will include two incredible pieces: Romona Luengen's *Salve Regina* and Eleanor Daley's *Ubi Caritas*. Works by Palestrina will also be performed. *Harp of Wild* by Allan Bevan, a stunning piece and a 2004 choral composition award, will round out this portion of the programme. Gospel music will be featured in the second half.
