

Department of Mathematics

Prerequisite Waiver Form*

If you wish to enroll in a MATH or MACM course for which you do not meet the formal prerequisite, please complete this application form. Note that you will need to consult with the instructor of the course; written approval from the instructor is required. Submit the completed form to the Undergraduate Advisor, Tina Nagra (office: SC K10517, email: mathug@sfu.ca). **Please attach an advising transcript.** Also, please make note of registration deadlines as per <http://www.sfu.ca/deadlines>

Student Information

Name: _____ Student Number: _____
SFU Email: _____ Phone Number: _____

Course Information

Please provide specific information about the course you wish to take despite not meeting the formal prerequisite.

Course	
Semester (in which you plan to enroll)	
Course Section Number	
Related Component Section (i.e. tutorial section)	
Instructor Name	
Does this course have a schedule conflict with any course in which you are already enrolled? (Yes/No) If yes, please see the undergraduate advisor.	

Rationale

Please explain why you think you are prepared to take this course without the formal prerequisite.

Student Signature: _____ **Date:** _____

Instructor Approval

If the instructor of this course gives you permission to enroll despite the fact that you have not met the formal prerequisite, please have the instructor complete the section below.

Instructor Signature: _____ **Date:** _____

Instructor Name: _____ **Instructor Email:** _____

***Prerequisite waivers for 100, 200 and some 300 level MATH and MACM courses are typically not granted. You can be denied enrollment in 100, 200 and some 300 level MATH or MACM courses for which you do not meet the formal prerequisite even if the instructor provides written approval. Please see the undergraduate advisor for more information.**
