

Math Outside the Box

Getting in sync:

Fireflies, joggers, and things that swing

Dr. JF Williams

Math Outside the Box is an informal lecture & demo series for first and second year students curious about mathematics.

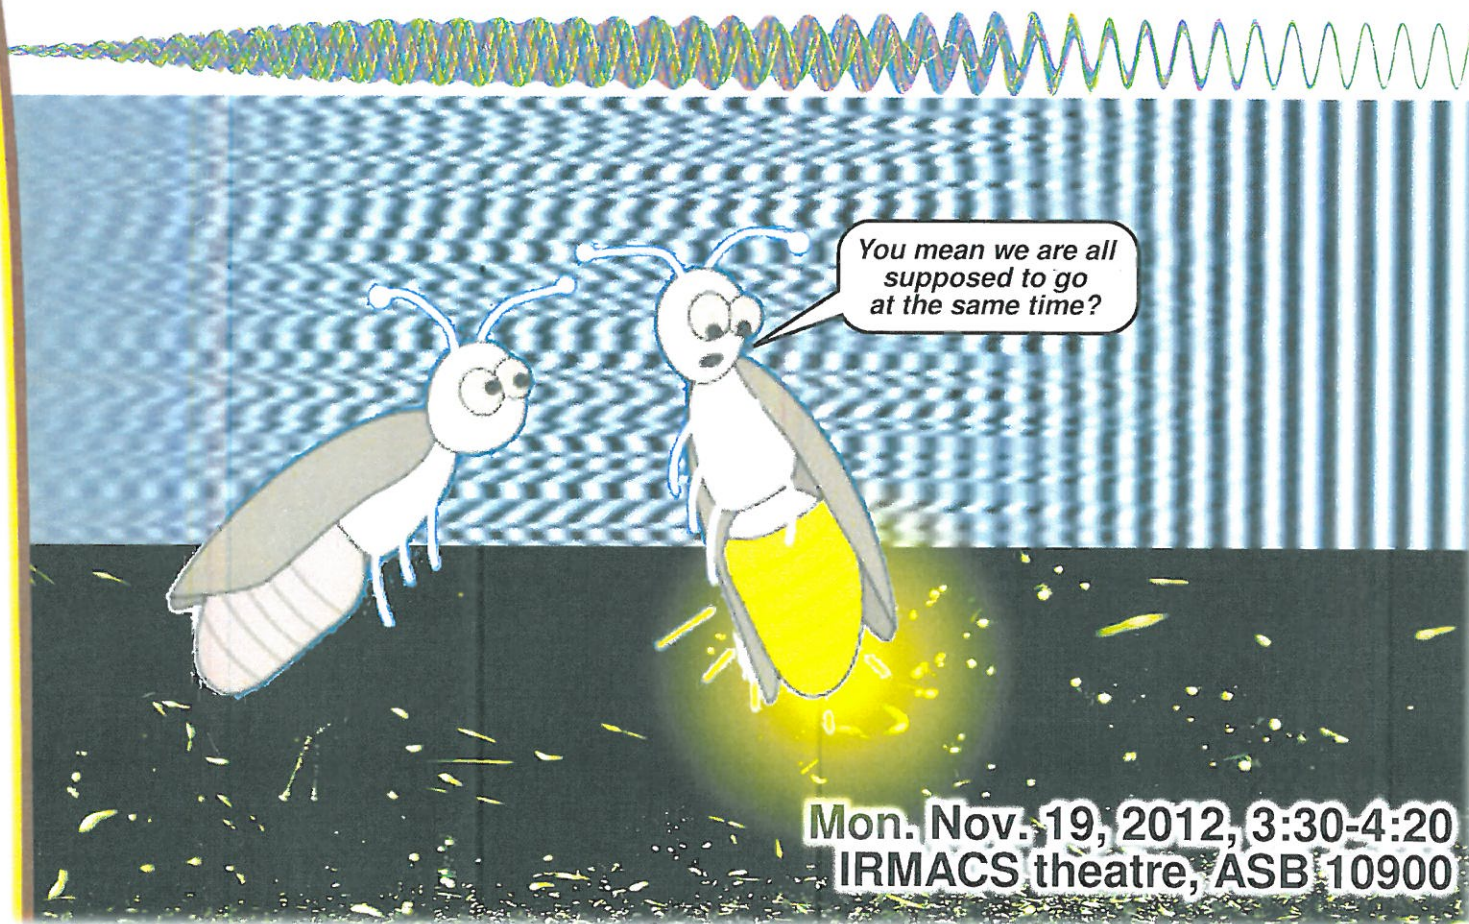

Meet other students interested in math.

Talk to senior math majors about their programs.

Enjoy a snack with math faculty in a friendly setting.

Bookstore prizes!

Chat with our advisor about your interests in math courses, programs, careers, etc.

Mon. Nov. 19, 2012, 3:30-4:20
